West Coast Series

Good Evening race fans and welcome to Kalgoorlie International Speedway for the sixth round of the Slims Tyre Service West Coast Series, proudly presented by RKB Protective Coatings!

After five nights of racing across the season so far, it all comes down to this weekend, with round six being held here tonight before round seven is held tomorrow night at Esperance. Adding some extra spice to both of these nights is the fact that drivers are competing for one and a half times the normal series points, meaning that the overall Slims Tyre Service West Coast Series is going to come down to the wire!

We hope to put on a great show here tonight at Kalgoorlie for the aptly named 'Red Dirt Easter Classic' and hope you enjoy the action! Prior to tonight's round, it was Brendon Marshman who was leading the overall Series standings with just two rounds to go.
Marshman has had a break out year with consistent performances, including two podium finishes, giving him a forty six point buffer heading into this weekend's final showdown.
Despite a tough season Cody Turacchio has done enough to hold onto second and is a very real chance of stealing away the series title this weekend if everything goes his way, especially with one and a half times more points on offer. This weekend driving his wife Tegan's #5 machine Cody will be hopeful of a strong run to close out his season.
Brent Lockwood has been a regular West Coast Series competitor over the last few seasons and has also scored two podium finishes this year.
Although slightly further back in the points, Lockwood still has a mathematical chance of taking out the series and will give it his all this weekend. Chris Dymock is currently fourth after missing one round but he has certainly made up for it with a whole pile of Feature wins to his name this season while others like Beau Rogers and Brendan Wright have impressed across the season and will be hoping to do that again tonight.

It is sure to be a massive night and with the series on the line all the drivers are going to leave it all hanging out, so make sure you yell, scream and shout for your favourite!

Top Ten in the Slims Tyre Service (After 5 of 7 Rounds)

1. 36 Brendon Marshman 441
2. 185 Cody Turacchio 395
3. 78 Brent Lockwood 370
4. 3 Chris Dymock 341
5. 7 Ryan Higgs 338
6. 85 Beau Rogers 322
7. 53 Brendan Wright 308
8. 47 Travis Clark 287
9. 44 Bill Richards 272
